<i>Fall Break!</i>			

- Each project will have a separate construction grade AND glazing grade.
- Make every effort to keep up with the calendar.
- It's not hard to get behind, and very difficult to catch up.
- Your first priority is always construction, not glazing.
- If you get behind or are going to be absent for a while, talk to the teacher.
- Use Flight Time or before/after school as needed
- Remember, all deadlines are FINAL. ***Especially this one.
